**Sunit Tandon** introduces a live recording of one of the earliest of all operas to use historical events and people. Emperor Nero is in love with the beautiful Poppea, exciting the intense jealousy of his wife, the Empress Octavia. She tries and fails to have Poppea killed. Finally, Nero divorces Octavia and Poppea becomes the new Empress. *L'incoronazione di Poppea* is frequently described as a story in which virtue is punished and greed rewarded.

Best wishes
